AEOLIAN TRIP PROGRAMME OPTIONALS

- **Guided excursion on the crater of Vulcano (FREE)**, to explore the main active crater of the island and discover sulphur fumaroles and breathtaking views;
- **Kayak excursion in Vulcano (€25)**, grab the paddle and off to explore the island's coastline and coves;
- **Boat excursion to Lipari (€20)**, if you prefer to spend your Saturday discovering the biggest island of the archipelago lulled by the waves of the Mediterranean Sea;
- **Excursion to Filicudi with the association Wildlife (€40)**: Saturday is perfect for a getaway to this remote island and a visit to the turtle hospital and the marine museum run by the association Wildlife in between a few dips in the open sea;
- **Snorkeling to discover the seabed of Vulcano (25€)**, the best way to discover the underwater mysteries and the life hiding in the warm sulphurous waters of the island.
